**The next generation  
of SIMS**

Over the last 30 years our aim has never changed - we have continuously strived to deliver innovative products that meet the evolving needs of education.

We have worked closely with our customers and partners over the years, listened to feedback and ideas, and we've redesigned our solution for today's primary schools. With our unrivalled knowledge of the education sector and our management information system expertise, we are confident SIMS Primary is a solution that will truly help schools inspire.

## What is SIMS Primary?

*An evolution* of SIMS.

It's a *faster, fresher, flexible* and highly intuitive evolution of our market leading MIS.

We've made it easier for everyone across the whole school community to make effective use of the information in SIMS to *improve learning outcomes*.

An improved user interface, intuitive navigation, unique new features and accessible from any computer thanks to a secure cloud system - *it's a game changer*.

# How is SIMS Primary different?

- ✔ A much improved user interface, with intuitive navigation
- ✔ Easy to use with minimum set-up required
- ✔ Slicker processes with information easier to understand and find
- ✔ Brand new features that don't currently exist in any MIS solutions in schools today
- ✔ Simple reporting and powerful analysis to drive informed decision making and interventions
- ✔ Accessible from any computer or tablet device
- ✔ Automatic data back up, upgrades are managed centrally and there is no need for a SIMS server in the school
- ✔ A completely redesigned solution for Assessment, allowing tracking against DfE and other assessment schemes

It's the system you know and trust, *made better*

## SIMS Primary at a glance

### Homepage

A fresher homepage with real time widgets, providing a collated summary of top level information about your school or academy.

### Pupil Log

Access a pupil's individual information, medical records, assessment marks and behaviour records in one area of SIMS Primary. A new chronological list of 'Pupil Log Notes' can be added by staff to build a complete picture of a child's school experience.

### Data Dashboards

Senior leaders and class teachers need actionable, real-time information. SIMS Primary makes this easy by providing attractive data dashboards that can be filtered and drilled into, to provide instant and meaningful insight.

### Class Log

A new screen for teachers, with interactive and engaging displays of key information on their class.
