01 | Introduction

The Phonics screening check is designed to confirm whether pupils have learnt phonic decoding to a suitable standard. These tests usually take place in Year 1. Pupils who don't achieve the suitable standard should receive support from their school to ensure they can improve their skills. Those pupils will then be expected to retake the phonics screening check the following year in Year 2.

This document is a step by step guide on entering and submitting your data.

Please do not hesitate to contact the MIS team with any problems or questions.

02 | Loading Assessment Templates

1. Before you begin entering your assessments, you will need to check if your assessment is in the list. If it isn't, you need to load the assessment template. To do this, go to **Students | Assessments | DfE Assessments**

2. Click on **Load Assessment Template** on the right

3. Choose your assessment from the drop down. Choose **KS1 Phonics Screening Check**
4. Click **Load Template** then **Load Template** again
5. You should now see **KS1 Phonics Screening Check** in your list of DfE Assessments.

03 | Setting Up Assessments

1. Click **Add** next to your assessment

2. Choose your year group. We will choose Year 1

05 | Entering Marks in Bulk

Entering marks in bulk makes it quicker and easier to complete your assessment marksheets and means you're not inputting the same mark multiple times.

1. In your marksheet, tick the students you want to enter marks for, or use the top tick box to tick all if you need to enter the same mark for everyone

06 | Exporting Your Assessments

1. You can export your results straight from the marksheet screen using the **Export Results** option on the left

2. Click **Add** on the top right of the **Current Assessment Results CTF Exports** panel

DfE Assessment Exports

3. Complete as follows:-

Export Type: Partial CTF containing phonics check data

Destination: Local Authority

Year Group: This depends on whether you need to export Year 1 and 2 separately or together. You can either choose both year groups which will output them in one file or choose one year group and repeat the export process for the other year group.

Include only students enrolled on: Today's date (unless backdating for any reason)

Only export the most recent assessment results: Tick – this ensures that only the most

recent result is pulled through

4. Click Export

Export Assessment Results

Information

To export a CTF file, please first pick the type of export you want. When you have done that, click Export. A CTF containing the chosen assessment results for the academic year will be created. It may take a little while to create the CTF, so please be patient. When it is finished you will be alerted by a notification, so keep an eye on those.

5. Your export will be added to the list. Give it a few seconds and then refresh the page and your CTF should be available through your notification centre in the top right.

07 | Producing End of Year Reports

Arbor comes with pre-defined End of Year Reports which you can export as a PDF and give to parents.

1. From the Export Results screen, click End of Year Reports on the right

2. Complete the Bulk Generate Reports panel as follows:-

Academic Year: Defaults to this year

Year Group: Year 1 / Year 2 (as needed)

Report Type: Phonics Screening Check Results

3. Click Bulk Generate Reports
